## CERTIFICATE IN AWARENESSCOACHING®

The international Association for Coaching (AC) officially recognised the AwarenessCoaching Foundation Training Course (ACFT); a coaching qualification to support the development of coaching and leadership skills in an organisational context.

### Who is this programme for?

This qualification programme aims to provide future (and practising) leaders, managers and those working in a training / development role with the knowledge, skills and confidence to perform effectively as coaches as part of their normal work role and, subject to successful completion of required activities, an international recognised qualification.

*If you have any further questions about the ACFT Course how it might fit in with your career plans / CPD or work commitments please contact the training supervisor.*
